Release me darlin', let me go
I don't love you anymore
To live together is a sin
Release me and let me love again

Oh, I have found a new love dear
And I'll always want her near
Her lips are warm while yours are cold
Release me, darling, let me go

Please release me, let me go
I don't love you anymore
To live together is a sin
Release me and let me love again

Please release me, let me go
I don't love you anymore
To live together is a sin
Release me and let me love again
