Sunflower  
One, two, three!

There's a zombie on your lawn  
There's a zombie on your lawn  
There's a zombie on your lawn  
We don't want zombies on the lawn

I know your type: tall, dark, and dead  
You want to bite all the petals off of my head  
And then eat the brains of the one who planted me  
here  
I'm just a sunflower but see, me power an entire  
infantry  
You like the taste of brains we don't like zombies

[Football Zombie]: I used to play football  
[Conehead Zombie]: Road cones protect my head  
[Screen Door Zombie]: I have a screen-door shield  
[All]: We are the undead!

There's a zombie on your lawn  
There's a zombie on your lawn  
There's a zombie on your lawn  
We don't want zombies on the lawn

Maybe it's time to reevaluate  
I know you have a lot of food on your plate  
Brains are quite rich in cholesterol  
You're dead so it doesn't matter, instead we'll use this  
solar power  
To make a lawn defense at any hour

[Digger Zombie]: I like your tricycle  
[Zombie]: There's butter on my head  
[Dolphin]: I'm gonna eat your brains!  
[All]: We are the undead!

There's a zombie on your lawn  
There's a zombie on your lawn  
There's a zombie on your lawn

We don't want zombies on the lawn
