Look at you, you've got the perfect view and he's right
there in your arms
And he says he loves you, he says he needs you and
you will not be harmed
Miles away my world is far more grey cause without
him I am lost
Should've known that day that he wouldn't stay and
he'd coat my heart in frost

His temporary girl, just a friend, just a loose end
Til he met you and his world turned around, upside
down

Cold hard skin, feels unbreakable
You'll get in but it won't before
He will hurt you, you'll feel my pain
He'll hold your hand and drag you into his
Little plan, just another girl in his
Selfish game, boys like him will never change

I wasn't it and I didn't fit into his perfect little world
And this I'll bet that he'll try to forget of our January
love
I can't wait to see your face when you've been put in my
shoes
Take your high heels off, come back down to earth;
cause it's your time to lose

You're his temporary girl, just a friend, just a loose end
Til he meets you and his world turns around, upside
down

Cold hard skin, feels unbreakable
You'll get in but it won't before
He will hurt you, you'll feel my pain
He'll hold your hand and drag you into his
Little plan, just another girl in his
Selfish game, boys like him will never change

He's a cheat; he's a liar, set your heart on fire
He'll burn you in his flames

He's a cheat; he's a liar, everything you desire
He will never change
He's a cheat; he's a liar, set your heart on fire
He'll burn you in his flames
He's a cheat; he's a liar, everything you desire
He will never change

Cold hard skin, feels unbreakable
You'll get in but it won't before
He will hurt you, you'll feel my pain
He'll hold your hand and drag you into his
Little plan, just another girl in his
Selfish game, boys like him will never change
