diamond in heaven by Laurena  
The sun painted purples in the sky  
as the evening came around.  
Oh those memories of you  
The crystal sea was breathing in the night.  
When we saw a falling star  
I thought you were heaven sent.

A cruel turn of fate took you away from me.  
While my love for you will grow, I will be waiting down  
below.

You're a  
Diamond in heaven  
and you shine on forever  
in the darkest night  
while other stars are sighing  
Diamond in heaven  
you're my only inspiration in the darkest night  
and you will keep on shining.

While the lingering sickness brought you pain,  
hope still glimmered in your eyes.  
You kept on fighting till the end.

A cruel turn of fate took you away from me.  
But like a legend strong and old I know my love for you  
will grow.

You're a  
Diamond in heaven  
and you shine on forever  
in the darkest night  
while other stars are sighing  
Diamond in heaven  
you're my only inspiration in the darkest night  
and you will keep on shining.

Even though you're drawn into eternity.  
You will always be a part of me.  
Even though I'm drowned in my misery.

I look into the stars and there I'll see.

You're a  
Diamond in heaven  
and you shine on forever  
in the darkest night  
while other stars are sighing  
Diamond in heaven  
you're my only inspiration in the darkest night  
and you will keep on shining  
And you will keep on shining on.
