Baby you can come to me
When you're on your knees
Beggin' "please"
Baby you can come to me
Lean on me for strength

When you're in darkness
When you're in hard times
Come to me and I'll help you to believe--

'Cause life
Can be so hard
But we try--
and make it better
Now Cry--
Forget the bad years
With your last tear
With your last tear
With your last tear

Baby you can come to me
When you're all alone
and no one sees
Baby you can come to me
I'll show you what can be--

When you're in darkness
When you're in hard times
Come to me and I'll help you to believe--

'Cause life
Can be so hard
But we try
and make it better
Now Cry--
Forget the bad years
With your last tear
With your last tear
With your last tear

You will get strength
With every step we take

Let love shape
the future we will make
'Cause in the end
Yeah it'll be okay--

'Cause life
Can be so hard
But we try
to make it better
Now Cry--
Forget the bad years
With your last tear
With your last tear
With your last tear
