Nobody knows if nobody tries,
Gotta give it all, gotta go with the roll of the dice
Who would have guessed that life could be cruel?
Cause nobody told me that loved doesn't play by the
rules
But the hardest part can be the pain of the mystery!

Chorus:

It's a... and the sun it's close
It's the sunshine when your heart is burnt
It's a lesson that we never learn,
It's a birthday when you turn fifteen
It's a party it's the sweetest dream,
Gotta live, do it all, it's the rising and it's the fall!

I give everything but wasn't enough
I guess that's the way that it goes sometimes with love
I wouldn't change one single line
Cause when you're near me, I never felt so alive!
But the hardest part for me is the pain of the mystery!

Chorus:

It's a... and the sun it's close
It's the sunshine when your heart is burnt
It's a lesson that we never learn,
It's a birthday when you turn fifteen
It's a party it's the sweetest dream,
Gotta live, do it all, it's the rising and it's the fall!

You could run away,
You could try to hide but you know
All the memories that...in our hearts and the ...

Chorus:

It's a... and the sun it's close
It's the sunshine when your heart is burnt
It's a lesson that we never learn,
It's a birthday when you turn fifteen
It's a party it's the sweetest dream,
Gotta live, do it all, it's the rising and it's the fall!
It's the rise, it's they rise and it's the fall!
It's the rise, it's they rise and it's the fall!
