"Thank you for this moment  
I got to say how beautiful you are  
Of all the hope and dreams I could of prayd for  
There you are  
If I could have one dance forever  
I would take you by the hand  
Tonight its you and I together  
Im sooo glad  
Im your man

And if I live a thousand years you know I never could  
explain  
The way I lost my heart to you that day  
But If destiny decided I should look the other way  
Then the world would never know  
The greatest story ever told  
and Did I tell you that I love you tonight

I don't hear the music  
When Im looking In your eyes  
But I feel the rhythm of you body close to mine  
It's the way we touch it sends me  
Its the way well always be  
Your kiss, your pretty smile you know I die for  
Ooo baby  
Your all I need

And if I live a thousand years you know I never could  
explain  
The way I lost my heart to you that day  
But If destiny decided I should look the other way  
Then the world would never know  
The greatest story ever told  
Did I tell you that I love you just how much I really need  
you  
Did I tell you that I love you tonight

tonight

If I live a thousand year I never could explain  
The way I lost my heart to you that day  
But If destiny decided I should look the other way

Then the world would never know  
The greatest story ever told  
Did I tell you that I love you just how much I really need  
you  
Did I tell you that I love you tonight
