[MRS. SOWEBERRY (spoken)]  
Right then, Oliver Twist,  
your bed's underneath the counter.  
You don't mind sleeping  
among coffins I suppose?  
It don't much matter whether you do  
or you don't cause you can't sleep  
nowhere else!

[OLIVER]  
Where is love?  
Does it fall from skies above?  
Is it underneat the willow tree  
That I've been dream of?  
Where is she?  
Who I close my eyes to see?  
Will I ever know the sweet "hello"  
That's only meant for me?  
Who can say where she may hide?  
Must I travel far and wide?  
'Til I am bedside the someone who  
I can mean somethin to ...  
Where...?  
Where is love?

Who can say where...she may hide?  
Must I travel...far and wide?  
'Til I am beside...the someone who  
I can mean...something to...  
Where?  
Where is love?
