Oooohh (x3)

Lay with me on a street in the city
Find the still in the middle of crazy
Is this all that you wanted?

Just a leaf floating round in the shadows
Holding on tryna find how to let go
When you think you got all that you wanted
Feel the ground shaking
Slowly we are waking up

Oooohhh
There's a red sky
Oooohhh
Overhead tonight
Oooohhh
That's how I know
It's gonna be alright
It's gonna be alright

There's a pier reaching out from the seaside
Breathe it in, breathe it out, open your eyes
Is this all that you wanted?
Feel the waves breaking
No more time wasting
Slowly we are waking up

Oooohhh
There's a red sky
Oooohhh
Overhead tonight
Oooohhh
That's how I know
It's gonna be alright
It's gonna be alright

Beautiful wonder
Where did you come from?
Writing your name on the horizon
Filling the sky up
Burning like fire

Oooohhh
Yeah
There's a red sky
Oooohhh
Overhead tonight
Oooohhh
That's how I know
It's gonna be alright
It's gonna be alright
It's gonna be alright
It's gonna be alright
