Lawson - Still Hurts

(Verse)

You and me still hurts  
Days go by gets pushed  
I don't wanna see you  
I don't wanna know where you are  
I'm scared of these feelings  
I'm broken and bleeding

(Chorus)

Here without you  
Don't know how it feels  
Breaking up I'm falling down  
With you it's never gonna be  
Not the way it used to be  
Every day it gets harder to breathe

(Verse)

You and me still hurts  
I thought that this could work  
Going out of my head and  
I'm trying to forget how I miss you  
Gotta miss you  
And I'm scared of these feelings  
Laugh has no meaning

(Chorus)

Here without you  
Don't know how it feels  
Breaking up I'm falling down  
With you it's never gonna be  
Not the way it used to be  
Every day it gets harder to breathe

(Outro)

You ,you don't know it feels  
Breaking up I'm falling down  
You ,you don't know it feels  
Breaking up I'm falling down  
With you it's never gonna be  
Not the way it used to be  
Every day it gets harder to breathe  
You and me still hurts
