

Lawson "Touch"

Visit "[Touch](#)" on MotoLyrics.com

I think you could help me get back to the world
I'm spinning out of control
Help me, I'm drifting alone
I'm sinking , I need you to hold

I'd do anything to hear you say
That you're gonna take the pain away
I just need you back in my arms

'Cause I , I tried
I do my best to reach you
'Cause I'm drowning in this flood
Tonight, I cry
'Cause my world is gone to pieces
And I can't get close enough
To touch

Save me, I'm losing myself
I'm falling I need nobody else
I'm swimming against the tide
I'm trying to save my life
Just get me back to your heart

'Cause I , I tried
I do my best to reach you
'Cause I'm drowning in this flood
Tonight, I cry
'Cause my world is gone to pieces
And I can't get close enough
To touch
It's over , yeah

This time the water's washing over me
Can't breathe in , I'm chocking
Can't wait forever need you desperately
See you never let go

'Cause I , I tried
I do my best to reach you
'Cause I'm drowning in this flood
Tonight, I cry
'Cause my world is gone to pieces
And I can't get close enough
To touch
To touch

To touch
