Some things I can live without
Like the way that you let me down
Don't wanna have to read about it
Couldn't even tell me face to face
Always doing it the easy way
Left wondering how long you planned it

You're moving on to someone
And I don't belong to no one

I can't do this heartbreak anymore
Keeps getting harder
Holding on 'till that's impossible
Like climbing a waterfall
Ooooh, ooh

Head down in a crowded place
Then I saw ya and I walked away
I wonder if you saw me leaving
Didn't really wanna have to say
How ya doing where you been these days?
That's just the way I'm feeling

Cause you're moving on to someone
And I don't belong to no one

I can't do this heartbreak anymore
Keeps getting harder
Holding on till that's impossible
Like climbing a waterfall
Yeah

I tried, for you
Yeah
I died, for you
Oh yeah

I can't do this heartbreak anymore
Keeps getting harder
Holding on till that's impossible
Like climbing a waterfall
Ooooh

Like climbing a waterfall
Oooh x 2
Like climbing a waterfall
