There you stood, next to me  
And you waited, patiently  
I approached, held you near  
Then you whispered, in my ear

You didn't tell me  
You didn't need me  
You went and left it all behind  
You didn't tell me  
You didn't warn me  
Didn't it ever cross your mind?

Friday night, cancelled plans  
Then I see you, holding hands  
With a guy, now it's clear  
When you whispered in his ear

You didn't tell me  
You didn't need me  
You went and left it all behind  
You didn't tell me  
You didn't warn me  
Didn't it ever cross your mind?

Didn't you tell me  
That I was spending way too long  
Wasting my time

Oh and I should have known  
That I am better off on my own

You didn't tell me  
You didn't need me  
You went and left it all behind  
You didn't tell me  
You didn't warn me  
Didn't it ever cross your mind?

You didn't tell me  
You didn't need me  
Didn't it ever cross your mind?  
You didn't tell me

You didn't warn me  
Didn't you ever say goodbye?

Oh, oh yeah  
There you stood
