"A Prayer For Our President"

Father, help him to lead your people, according to your
will and to your way
Help him be steadfast unmovable, always abounding in
thy works
God our Father, hold his hand, carry him, carry him,
carry him, when he is unable to stand

Oh Lord
Lord guide him through this
Oh Yes we can
Together we can do this
Forward weâ€™ ll go
As one great nation we will stand

For our future
Lord guide him through this
As one great nation
Together we can do this
For schools and healthcare
Lord guide him through this
For taxes and welfare
Together we can do this

Oh Lord
Lord guide him through this
Oh Yes we can
Together we can do this
Forward weâ€™ ll go
As one great nation we will stand

One nation under God, together we move FORWARD
Education for our nation, together we move FORWARD
Believing, achieving, together we move FORWARD
Integrity, prosperity, together we move

Help him live out the plan from You
To make us one, the red, the blue
Bring down every wall, human rights for us all

Help him live out the plan from You
To make us one, the red, the blue
Bring down every wall, human rights for us all

Stand up and be counted, together we move FORWARD
Conceive it; believe it, together we move FORWARD
Donâ€™t stop, we wonâ€™t stop, together we move
FORWARD
Donâ€™t stop, we wonâ€™t stop, together we move

This is our prayer today Lord
Lord guide us through this
Oh Yes we can
Together we can do this
And Forward weâ€™ll go
As one great nation â€” we will stand.
