[Chorus](samples from The Isley Brothers)

If you ever wanna meet someone  
I forever wanna be the only one  
In your life Need your body (oh baby)  
Need your body (oh darlin')  
If you ever wanna meet someone  
I forever wanna be the only one  
In your life Need your body  
Yea yea yeyah.

[Verse one]  
Krayzie Bone

Now i dun been around the planet met plenty women,  
But i've never met one like you  
Ya suit me ooh nobody can do me like you do  
We hang out, we get high, you roll my blunts up foe me  
I'm feelin' you girl but i know we just homies  
But your the kinda girl,  
That'l make a nigga wanna be down  
The type of girl i need to be around  
Not like them other groupie bitches on my dick foe  
money  
I can see it in your eyes  
Yo shit is genuine  
And we aint even together (whatever)  
But if your lookin' foe a chill nigga hook up wit a real  
nigga  
Its garanteed that if you fuck wit Kray ya never ever  
wanna go away  
So if your lookin' foe a nigga that Can hit it  
And stay in it  
Never quit it  
Make you feel it  
When i split it  
Ima dent it, dent it  
Then you'l be happy wit a thug like me  
Them chumps dont love like me  
Girl they cant fuck like me (like me)

[Chorus] Krayzie Bone

[Verse two]  
Layzie Bone

Hey Pretty Lady,  
I been thinkin' about you constantly  
The way you put it on me girl,  
You really did dropped a bomb on me  
Yous a freak and i'm a freak,  
And i'm thinkin thats how its  
suppose to be  
Its already been writin girl,  
(Su)Posed to be here close to me  
Come on and pose slow foe me.  
You the realest, illest, picture perfect woman that i'd  
ever seen befoe  
Promise to make it worth it,  
You deserve it  
My purpose is to satisfy your every need,  
Satisfy you mentally  
Especially sexually  
Nothin' but the best from me  
Come on and enjoy the ride  
I keep it strong all night long  
Ima make you mine  
You wanna take your time  
And i respect your pimpin'  
You working hard, your independant tryna earn a livin  
And im tryna beat the system,  
But i know you dig a thug  
Your cup of love is lookin empty  
Let me fill it up,  
Is it really 'what?'  
I really wanna fuck  
And i need your body  
I can't get enough

[Chorus] Krayzie Bone  
(samples from The Isley Brothers)

If you ever wanna meet someone  
I forever wanna be the only one  
In your life Need your body (oh baby)  
Need your body (oh darlin')  
If you ever wanna meet someone  
I forever wanna be the only one  
In your life Need your body

[Verse three]  
Bizzy Bone

Candlelit dinners, expensive dishes i'm thuggish  
ruggish  
The definition of ballin' while dippin' in Columbus  
Spit game like holy water in my saliva  
The taste of your tongue, come let me set your neck on  
fire  
Smokin chronic and swishes,  
I am your X pill  
Your body's beautiful  
Everybody feel you foe real  
Watching movies and fucking close to the sliding door  
I want you to cum with the thunder then do it once more  
I gotta be real,  
You love me coz i'm such a gangsta  
I'm willing to take chances  
Ghetto kid like Jo-Jo Dancer  
Do you really want that ass or what,  
You and your man are still beefing  
Your thinkin' about me,  
And hes thinkin' of kicking it on the weekend  
Always be my girl, always be my broad  
No matter how much you fuck him,  
You'll always be my dawg  
So let me hit it from the back one more time  
Just for old times  
Slap on a Magnum and go for mine (yeah)

[Chorus] Krayzie Bone  
(samples from The Isley Brothers)

If you ever wanna meet someone  
I forever wanna be the only one  
In your life Need your body (oh baby)  
Need your body (oh darlin')  
If you ever wanna meet someone  
I forever wanna be the only one  
In your life Need your body  
Yea yea yeyah.
