Thug love, thug love

All she ever wanted was that thug loooooove

Thug love, thug love

All she ever wanted was that thug, love

[Angie - over end of hook]

Yo, hey yo, uhh

Yo, yo, yo-yo, uhh

Aiyyo I met him at a club, spendin dubs, Mr. Superthug

Pulled up with a group of trucks, everybody knew who he was

I ain't playin the boy was cute, and I'm sayin

we only danced one song but the whole night I was swayin

Mesmorized by his style, could tell he was wild

but he had a touch of class and a million buck smile

Got a thing for a thug and he fit the profile

Thug love, think I'm buggin brother let me know now

[Fat Joe - overlapping Angie]

Yo.. yeah, uhh

Yo, yo..

What's his name, what's the color of his Range, what's his game?

Was he kickin it like he love his train, full of octane?

Stop playin, know you ain't fall for that

(Yo he's pagin me) Ang' don't even think of callin back

Man I know those cats, him and his click be flowin crack

Up in Prominax(?), stickin them kids, by the laundromat

Pumpin that two-for-five, the rules imply

fuckin with them dudes that's trife, you lose your life
