Thank you for this moment  
I've gotta say how beautiful you are  
Of all the hopes and dreams I could've prayed for  
Here you are

If I could have one dance forever  
I would take you by the hand  
Tonight it's you and I together  
I'm so glad I'm your man

And if I lived a thousand years  
You know I never could explain  
The way I lost my heart to you that day  
But if destiny decided I should look the other way  
Then the world would never know  
The greatest story ever told  
And did I tell you that I love you tonight?

I don't hear the music  
When I'm lookin' in your eyes  
But I feel the rhythm of your body  
Close to mine  
It's the way we touch that sends me  
It's the way we'll always be  
Your kiss, your pretty smile, you know I'd die for  
Oh baby, you're all I need

And if I lived a thousand years  
You know I never could explain  
The way I lost my heart to you that day  
But if destiny decided I should look the other way  
Then the world would never know  
The greatest story ever told  
And did I tell you that I love you?  
Just how much I really need you?

Did I tell you that I love you tonight? Tonight...

And if I lived a thousand years  
You know I never could explain  
The way I lost my heart to you that day  
But if destiny decided I should look the other way

Then the world would never know  
The greatest story ever told  
And did I tell you that I love you?  
Just how much I really need you?

Did I tell you that I love you tonight?
