Afternoon

Fell asleep in the living room

Its one of those moments

Where everything is so clear

Before the truth goes back into hiding

I wanna decide cause its worth deciding

To work on finding something more than this fear

It takes so much out of me to pretend

Tell me now

Tell me how

To make ammends

Maybe, I need to see the daylight

Leave behind the half life

Dont you see im breaking down

Oh lately

Something here dont feel right

This is just a half life

Is there really no escape

No escape from time

Of any kind

I keep trying to understand

This thing and that thing my fellow man

I guess I'll let you know when I figure it out

And I dont mind a few mysteries

They can stay that way

Its fine by me

But you are another mystery I am missing

It takes too much out of me to pretend

Maybe

I need to see the daylight

Leave behind the half life

Dont you see I'm breaking down

Oh lately

Something here dont feel right

This is just a half life

Is there really no escape

No escape from time

Of any kind

Come on lets fall in love  
Well come on lets fall in love  
Come on lets fall in love  
Again

Cause lately  
Something here dont feel right  
This is just a half life  
Without you I am breakin down  
Awake me  
I wanna see the daylight  
Save me from this half life  
Lets you and i escape  
Escape from time

Come on lets fall in love  
Come on lets fall in love  
Come on lets fall in love  
Again
