Floorboard is filled with clothes,shampoo and makup.  
Driving in the day  
listening to the radio and having lots of fun.  
I never thought this would  
happen but i'm glad it did.  
It was the best day of my life I actually had  
a sister for once in my life.  
I'm glad it happened to me and Jenny.  
One day we came to driving on the highway and we  
were singing that  
same old song.It was the best day of my life lactually  
had a sister for  
once in my life and i'm glad it happened to me and  
jenny.  
So as we  
drove home I thought to myself I was glad to have a  
sister lihe her.
