[OcÃ©ane]

At first I was afraid
I was petrified
Kept thinking I could never live
without you by my side
But then I spent so many nights
thinking how you did me wrong
And I grew strong
And I learned how to get along
and so you're back
from outer space
I just walked in to find you here
with that sad look upon your face
I should have changed that stupid lock
I should have made you leave your key
If I had known for just one second
you'd be back to bother me

Go on now go walk out the door
just turn around now
'cause you're not welcome anymore
weren't you the one who tried to hurt me with goodbye
Did you think I'd crumble
Did you think I'd lay down and die
Oh no, not I
I will survive
oh as long as i know how to love
I know I'll stay alive
I've got all my life to live
I've got all my love to give
and I'll survive
I will survive

[Left Boy]

Her name is OcÃ©ane, I met her at the sea
Beautiful girl, but not in love with me
She sang a song that would make your eyes tear
I heard the first verse and forgot that I was here
And I know it's a cover
But no other does it better

Maybe I don't love her
But that doesn't really matter
I'm just glad that I met her and I met her 'cause I did
'Cause there's nothing like a good tune to put inside
your head

[Chorus]

It took all the strength I had
not to fall apart
kept trying hard to mend
the pieces of my broken heart
and I spent oh so many nights
just feeling sorry for myself
I used to cry
But now I hold my head up high
and you see me
somebody new
I'm not that chained up little person
still in love with you
and so you feel like dropping in
and just expect me to be free
But now I'm saving all my loving
for someone who's loving me

Go on now go walk out the door
just turn around now
'cause you're not welcome anymore
weren't you the one who tried to hurt me with goodbye
Did you think I'd crumble
Did you think I'd lay down and die
Oh no, not I
I will survive
oh as long as i know how to love
I know I'll stay alive
I've got all my life to live
I've got all my love to give
and I'll survive
I will survive (hey, hey)
