Aim here for my heart
'cause I know what you are
From the first you're the worst
And I know how much you love to hurt me

So girl stop trippin'
Don't need your excuse 'cause tonight
Who had known that i'll be

I'll be standing next to you
Oh, damn what would I do
No, I can't pick up the phone
I said too much when I'm alone
Can we stop the blaming game?
Love is lost oh, what a shame
And I'm caught up standing next to you

All night it's my fault
That I'd dance my heart waves
To your last one dance had my chance
To make things right

So girl stop trippin'
Don't need your excuse 'cause tonight
Who had known that i'll be

I'll be standing next to you
Oh, damn what would I do
No, I can't pick up the phone
I said too much when I'm alone
Can we stop the blaming game?
Love is lost oh, what a shame
And I'm caught up standing next to you

I'll be standing next to you
Oh, damn what would I do
No, I can't pick up the phone
I said too much when I'm alone
Can we stop the blaming game?
Love is lost oh, what a shame
And I'm caught up standing next to you
