Through the day, right through the night
You're the only one who can make things
Turn out right

Look through the clouds, look through the rain
You're the only one who can take away my pain

Nothing's wrong, nothing's right
I have to say I can not hide
The greatest thing will ever find
Is what God gave us inside

You are my inspiration
Take my hand, a perfect situation
You are my inspiration
Standing tall through it all

Don't be worried if I'm down
You're the only one who never plays around
Give my heart, gave you my soul
Heaven knows I need you by my side

Nothing's wrong, nothing's right
I have to say I can not hide
The greatest thing will ever find
Is what God gave us inside

You are my inspiration
Take my hand, a perfect situation
You are my inspiration
Standing tall through it all

When I'm searching for a reason
I just call your name
When I'm in the dark
I waltz around 'till I know it
I would give my heart, I would give my soul
Because it's you I've got to know

You are my inspiration
Take my hand, a perfect situation
You are my inspiration

Standing tall through it all
