Mmm, mmm

I know that you're wonderin'
Bout the cloud you've been under
If you can't hear the thunder
There ain't no storm

Waitin' till it passes
With rose colored glasses
Knowin' that the grass is always greener in the
mornin'

Corus:
Oh, oh, oh, oh, oh
Open your eyes
Put your hand in mine
And come oh, oh, oh, oh, oh
Over the to bright side

Mmm, mmm

I know that your thinkin'
Your ship must be sinkin'
And soon you'll be drinkin'
A path to the sea
Keep your eye on the shoreline
Kick a few more times
You'll find in no time
You're lyin' on the beach

Repeat Corus

I've been waiting
Oh, oh, oh, oh, oh
You won't be alone

Repeat Corus
Come over to the bright side (3x)

I know that you're wonderin'
Bout the cloud you've been under
If you can't hear the thunder

There ain't no storm
