(Chorus)

I'm setting up the best
I'm on and I'm doing no less
Topping off the sweets
While I'm helping all of my friends

Jumpin up so high
The bottom was never so bright
This night will be a tease

(I hear that u are the best one)
Girly just go and get one
(I know that u are a test boy)
There's something u can't pass girl
(I see that u got the moves yeah)
U falling for that booze mask
YEAH! YEAH!

(Verse)

U can be the girl that's not her
U can be the the girl on the curb
I don't want to push u away
But u don't want me for meh

But she does
I can see it her ur eyes

(Faster)

When she's stares right into my eyes
I feel my heart burn up in ice
There's no way to express the feeling
There's no way to take off, don't lift me

When I'm starting to fall down
I know she is not around
But in the end somehow
She seems just seems to find out how

(Chorus)

I'm setting up the best
I'm on and doing no less

Topping off the sweets
While I'm helping my friends

Jumpin up so high
The bottom was never so bright
This night will be a tease

(I hear that u are the best one)
Girly just go and get one
(I know that u are a test boy)
There's something u can't pass girl
(I see that u got the moves yeah)
U falling for that booze mask
YEAH! YEAH!

(Verse)
Were the kind of love in a sentence
There's no hate, nore is there vengence
Were just being ourselves and living our lifes
And loving each other, threw darkness and light

No matter what

This girl is my girl and there's no one that tell us
OTHERWIZE

SO BACK OFF GUYS
I am THE ONE
AND SHE IS MY ONLY
PULL BACK THE CHAMBER
AND GET UP TO RUNNING

(Chorus)
I'm setting up the best
I'm on and doing no less
Topping off the sweets
While I'm helping my friends

Jumpin up so high
The bottom was never so bright
This night will be a tease

(I hear that u are the best one)
Girly just go and get one
(I know that u are a test boy)
There's something u can't pass girl
(I see that u got the moves yeah)
U falling for that booze mask
YEAH! YEAH!

(Verse)

U hear that I am the one
But do u see thee that I am the one
Look me in the eye
Can u tell me a lies
Can u only love me
And love no other
Be my only
And chase no further
Cause I'm standing now
Come on bring me down

(Chorus)
I'm setting up the best
I'm on and doing no less
Topping off the sweets
While I'm helping my friends

Jumpin up so high
The bottom was never so bright
This night will be a tease

(I hear that u are the best one)
Girly just go and get one
(I know that u are a test boy)
There's something u can't pass girl
(I see that u got the moves yeah)
U falling for that booze mask

(I hear that u are the best one)
Girly just go and get one
(I know that u are a test boy)
There's something u just can't pass girl
(I see that u got the moves yeah)
U falling for that booze mask
