(Verse)

These girllies want me cause I'm
Up and I got endless game

I tell them drop it and they
Drop it cause they have no shame

It gets real wicked when we
Kick it in the hall of fame

Bitch I don't need dat and u
See that I'm a screamer main

(Melody)

Ohhh
These ladies look like they got
Fire in they cheeks
There cheeks
But I don't mind cause dats attention
Over me
Oh me
Ur boyfriend hates me cause we kicked
It at ur car
Ur car
But that ok babe cause weve never
Went to far!

(Chorus)

Girls all up on me
Screamin on the wrong key
Lookin but she can't see
How worthless they will always be

Hell I can't look at u
Don't think that this night
Will do u think this is real
But in my head it's never true

(Screams)

Girls all up on me
Screamin on the wrong key
Lookin but she can't see
How worthless they will always be

Hell I can't look at u
Don't think that this night
Will do u think this is real
But in my head it's never true

Jump dance we don't care
Throw ur hands up in the air
Mosh and dance and feel the funk
Slice them up and tear out chunks

Come on rappers come on goths
Sing and dance and kick it off
Come on crunk kids come on punks
