(Verse)

There's people standing there  
Yeah those people wanna stare  
They wanna hate, not congradulate  
Fuck debate man, don't need rates

(Melody)

Step on up if u gotta problem with me  
Choke on my twig, if ur lost and can't find me  
Shoulder to shoulder, ear to ear  
Punch punch punch punch, hear hear hear

(Chorus)

Well here we ago, yet another show  
Haters keep on jockin, but they aint stoppin  
Anything or a part of me, I'm Mofo joe  
Been threw alote, yes I know  
But I stepped up, come at me hoe

I'm Devasted

I can't explain it

I'm Devasted

We'll Shit I'll sing it

(Verse)

People start to clear  
Yeah the people are out of here  
They tried to hate not congradulate  
They fucked debate, and gave me rates

(Melody)

Step on up if u gotta problem with me  
Choke on my twig, if ur lost and can't find me  
Shoulder to shoulder, ear to ear  
Punch punch punch punch, hear hear hear

(Chorus)

They wanna hate, not congradulate  
Fuck debate man, don't need rates

(Verse)  
Now I'm up top  
And now I can't stop  
Tried to bring me down  
But I took that bitch, and tossed her around

(Melody)  
Step on up if u gotta problem with me  
Choke on my twig, if ur lost and can't find me  
Shoulder to shoulder, ear to ear  
Punch punch punch punch, hear hear hear
