(Melody)

Your pain is in
A part of it
No one will fall

U stand on it
With ever bit
U have, to stand tall

(Verse)

Ur left untold
This life is old
I'm sure we are over

But I just move on
The pain goes on
I'm sure when were older

(Chorus)

Ur in my eyes
I'll pull u to my arms now
Warm as the sun
Our blood, with always hold back
A part of our love
I'll never, let u go, again

This life is bold
It's to to roll over

But as time goes on
The pain moves on
I'm sure if we were older

(Chorus)
Ur in my eyes
I'll pull u to my arms now
Warm as the sun
Our blood, with always hold back
A part of our love
I'll never, let u go, again

(Scream)
Ur in my eyes
I'll pull u to my arms now
Warm as the sun
Our blood, with always hold back
A part of our love
I'll never, let u go, again
