Open ur mouth open it wide
Baby for u I have a big suprize
If that's ur girl I know ya scared
I know with me it's never fair
Ur wondering wat wats he where

Ur hating on me I hope u die
Ur hating on me I wont reply

(Ill just fuck ya girlfriend HA!)
Ya know ya love me but ur so fuckin
Jealous, ud rather hate me to take my
Place, well fuck u man cause that never
Will happen, I'm tellin u man ur wasting
Ur time

I see ur fuckin hair, it's just like mine
I see wat u wear, it's just like mine
U would trade me places u know u would
That's to bad son I aint from the hood

I'll whip u with my dick ya

So come and hate on me

So come and talk ur shit

Open ur mouth open it wide

Baby for u I have a big suprize
If that's ur girl I know ya scared
