Now would you give me more, more?  
Or would you give me nothing  
Baby would you give me more?  
Or would you give me nothing

I think I got it right this time so far  
You got a lot of swag nice frame, nice car  
You show me a good time when I wanna go out, out  
I even get along with all of his boys  
And they back me up saying shawty you're mine  
I'm looking at you thinking could you be the one

I can't help up picture you and me  
Thinking how good our love could be  
Picture perfect like a magazine  
Turn the pages, see what this could be

Now I could give you all of me but would it be all for  
nothing  
What I have to show for it, yeah  
Would you give me all or nothing, all or nothing  
I give you all my love would you know what to do with  
it?  
Open up and let me in, would you give me all or  
nothing, all or nothing

I love it when you look in my eyes so deep, so deep  
Wonder what you're thinking when you're staring at me

Do you think about how good this could be?  
I never wanna leave you when it's time to go  
I hope that you can see don't wanna let you go  
This feeling I get is so invincible

I can't help up picture you and me  
Thinking how good our love could be  
Picture perfect like a magazine  
Turn the pages, see what this could be

If I could give you all of me but would it be all for  
nothing  
What I have to show for it yeah

Would you give me all or nothing, all or nothing  
If I could give you all of me, baby what would you do  
Would you give me all or nothing, all or nothing  
Nothing, nothing, nothing, yeaah  
Nothing, nothing  
All or nothing, all or nothing  
Nothing, nothing, nothing, yeaah  
Nothing, nothing  
All or nothing, all or nothing  
[repeat until fade]
