(Verse 1)

Daddy, I know that I am no longer a child  
But Daddy, when I think about the times that we've had  
I can't help but smile, like the very first time  
You tried to comb my hair, or the first day of school  
You didn't leave me there, My Daddy, nobody  
Can ever take your place

(Chorus)

No matter where I go or what I do  
I can hold my own because of you  
You taught me how to be and act like a lady  
To never let no man take control of me  
When I scared at night you were there  
Never hesitate to me you care  
That's why I'm Daddy's lil girl  
And I will always be your little girl (little girl)

(Verse 2)

Daddy, you know you are the reason why I sing  
Cuz you made sure that I never wanted for anything  
And when my friends tried to tell me I was poor  
You said No that's just my little girl; I'd give her the  
world  
And he did, everyone should have a Daddy just like  
this

(Chorus)

No matter where I go or what I do  
I can hold my own because of you  
You taught me how to be and act like a lady  
To never let no man take control of me  
When I scared at night you were there  
Never hesitate to me you care  
That's why I'm Daddy's lil girl  
And I will always be your little girl (little girl)

(Verse 3)

Because every girl needs the love of a father  
That's why I'm so glad to have you in my life

(Chorus)

No matter where I go or what I do  
I can hold my own because of you  
You taught me how to be and act like a lady  
To never let no man take control of me  
Daddy When I scared at night you were there  
Never hesitate to me you care  
That's why I'm Daddy's lil girl  
And I will always be your little girl (little girl)
