DEUCEZ-OLIVIA
screaming Ooh No!
Olivia yeah

Screaming uno, dos, chucking up the dueces,
me giving you another chance that would be foolish.
I admit i was gone but the sex was mediocre,
cant believe all this time thought you were getting
over!
Had a good girl but you prefer the groupies
Instead of my middle finger boy, i drop the dueces
I'm just tired of the foolish games you playing.
They call me Olivia and this is what I'm saying

Chorus:
Ohoh ohoh ooh ohoh ooh ooh deuces
told you that i'm leaving deuces

I know you mad but so what
you spent a couple bucks,
you know i just dont really give a f***

I'm on some new s***, chucking up my deuces up to
him

I'm moving on to something better, he still drives a
beretta
no more trying to make it work.
he makes me wanna say bye bye,
keep one on the side, keep one on the side for real (X2)
Only real f*** Bit**** keep it real

2nd Verse:
Since we talking twos
And breezy talkin deucez
When you go to cop for me
I like my shoes and deucez
She might get some time
But the coop I drive it ruthless
Ladies max his credit card
If he think you stupid
All of that is for the birds

You aint nothing but a vulture ah ah ah
You can go and lay with them birds
But credit boy that's gon cost ya
