(Verse 1:Olivia)

I dont know what I would be without you
I dont think I can ever loose you
Your everything I ever asked for

[Chorus:Keri Hilson]

I got your side boy
We were high
We were low
but I promise I will never let you go
said I got I got I got I got your side boy
I got I got I got I got your side boy
(I know you got my side right)
keep my swagger
keep it looking good for ya
keep it looking hood for ya
shawty if you don't know
I got I got I got I got your side boy

(Verse 2: Olivia)

I missed those eyes
How you kissed me at night
I missed those late walks

And now,

I miss everything about you
after all the things we've been through
I miss everything about you
Everything you do or say
You know that it all takes my breath away
And now i'm left with nothing

I remember every look upon your face
The way you look into my eyes
I can't stop loving you
Your on my mind every second on the day
Tell me what to say

We can do the things we never that the time to
Better late then never
But never late is better
They tell me time is money

Well we'll spend it together
I'm down for whatever
You just lead the way

Cause,
[Chorus:Keri Hilson] (x2)
I got your side boy
We were high
We were low
but I promise I will never let you go
said I got I got I got I got your side boy
I got I got I got I got your side boy
(I know you got my side right)
keep my swagger
keep it looking good for ya
keep it looking hood for ya
shawty if you don't know
I got I got I got I got your side boy
