feat. French Montana

Olivia:

Tell me do you want it like I do?
Livin' in the moment with you
And I don't know where this is going,
But I must admit that I like it

Pre-Chorus:

Whatever you want, we gon' get it
Just promise me that you got me baby
And I'll give my all

Chorus:

Baby give it all to me like I want it,
I want it
Promise nobody's gonna love you quite like I do
I do, I do, I do, I do

French Montana:

So what you sayin' ya?
I do
So what you sayin' ya?
I do
So what you sayin' ya?
I do
Oh yeah

Olivia:

Giving you everything that I have
And hoping you return that, you will
Love me forever, yeah, and love to heaven

Pre-chorus:

Whatever you want, we gon' get it
Just promise me that you got me baby
And I'll give my all

Chorus:

Baby give it all to me like I want it,
I want it

Promise nobody's gonna love you quite like I do
I do, I do, I do, I do

French Montana:
So what you sayin' ya?
I do
So what you sayin' ya?
I do
So what you sayin' ya?
Montana
I do
Oh yeah

French Montana:
Sittin, reminiscin'
Before you start dissing 'bout he said and she said
Hi! Hope I never break a promise
Ain't nothin' changed but the commas
Shawty came lookin' from the bottom of the south hood
We fight, make up, then it's all good
Cause I ain't tryin' to hurt nobody
And love don't love nobody
Shawty broke down the whole thing when I leave it
Now they got me dippin' in the white gold speedin'
I went from gripping thongs to á¹—impin' hoes
French Montana

Chorus:
Baby give it all to me like I want it,
I want it
Promise nobody's gonna love you quite like I do
I do, I do, I do, I do

Baby give it all to me like I want it,
I want it
Promise nobody's gonna love you quite like I do
I do, I do, I do, I do

French Montana:
So what you sayin' ya?
I do
So what you sayin' ya?
I do
So what you sayin' ya?
Montana
I do
