If I was your girlfriend.
If I was your girlfriend.
So, boy you wanna leave your girl cause you want me
to be your girl.
So I just laugh out loud I said I hope you can handle
what I can do for you, let me break it down.

If you were my boyfriend you would never have to
mess around cuz you would be satisfied with the love
that I'm putting down.
If you were my boyfriend them boys would be so
envious, it would be so fabulous, if I was your girl.

(Chorus:)

If I was your girlfriend, you'd get what your lookin' for.
If I was your girlfriend, all the girls would want you
more.
If I was your girlfriend, I would love to love you boy.
If I was your girlfriend, you would never need another.

That's right talkin' all that stuff, I'm the one that you
want so much.
I know how to cater to you come here boy let me sock it
to you.
I want you to know that I'm feeling you too.
Make a boyfriend out of you.
Let me upgrade your boom.

If you were my boyfriend, I would make you feel
secure.
All them boys can talk to me, I'ma tell them that I'm all
yours.
If you were my boyfriend, them boys would be so
envious. It would be so fabulous if I was your girl.

(Chorus:)

If I was your girlfriend, you'd get what your lookin' for.
If I was your girlfriend, all the girls would want you
more.
If I was your girlfriend, I would love to love you boy.
If I was your girlfriend, you would never need another.
