A place where nobody dare to go  
the love that we came to know  
they call it xanadu  
and now open your eyes and see  
what we have made is real  
we are in xanadu

a million light are dancing and there you are  
a shooting star  
an everlasting world and you're here with me  
eternally

xanadu, xanadu (now we are here) in xanadu  
xanadu, xanadu (now we are here) in xanadu  
xanadu your neon light will shine for you  
xanadu

the love, the echoes of long ago  
you needed the world to know  
they are in xanadu  
the dream that came through a million years  
that lived on through all the tears  
it came to xanadu

a million lights are dancing and there you are  
a shooting star  
an everlasting world and your here with me  
eternally

xanadu, xanadu (now we are here) in xanadu  
xanadu, xanadu (now we are here) in xanadu

now that i'm here, now that your near  
in xanadu  
now that i'm here, now that your near  
in xanadu
