[Intro]

Ohh... ah, ha

Yeah... ah, ha... mmm

[Verse 1]

Sometime

Outside

Makin' love while the rain is fallin'

Touch me, gently

You know me, don't care who's watchin'

Loathing, all night, close your eyes & find my body

Whisper to me that you want it

[Bridge]

Baby, baby

Heart be pounding when you near me

Feel so weak I need you wit' me

When I think of sexy, I think of you

[Chorus]

Wanna know can you keep it up

Cause tonight I'm fellin' oh so sexy

In the mood for makin' love

Wide open, look at how you got me

Can't wait 'til I get home

Need to feel your body wrapped around me

Gotta know can you keep it up

Cause tonight I'm feelin' oh so sexy

[Verse 2]

Let go love, want it so don't try to bite it

Just you, it's just us, that's the way I know you like it

Slowly, so deep, boy look what you up & started

Don't you even think of stoppin'

[Bridge]

[Chorus]

[Bridge 2]

Just as soon as we hit the door

Our close are off & on the floor

I can't help in, in the way I do, about you
My neck, my back, I'm sick & red
Don't think, boy make you deal with it
Can't help it, I off on you

[Chorus x3]
