I reached into the sky  
Omoi wa todokanakute  
Chiisaku sora ni kieta  
Irotoridori no fuusen

I'm alone  
Ikisaki no nai watashi no te wo  
Sotto tsunaide kureta

Starless night kako no kage furi kaeranai  
Kanjitai anata no nukumori  
Tears are falling down mayotte mo hanashi wa shinai  
Tsunaida anata no te wo

Sometimes we fall apart  
Okubyou ni natte shimau kedo  
Kitto hito wa soko kara nanika wo mitsuke daseru hazu

Take my hand  
Moroku fukanzen na futari dakara  
Zutto te wo tsunaide iru

Starless night kuchibiru ga yowane haite mo  
Shinjitai anata no nukumori  
Endless love mujun sae aiseteru no wa  
You are my shining star

Starless night kako no kage furi kaeranai  
Kanjitai anata no nukumori  
Tears falling down mayotte mo hanashi wa shinai  
Tsunaida anata wo

Starless night kuchibiru ga yowane haite mo  
Shinjitai anata no nukumori  
Endless love mujun sae aiseteru no wa  
You are my shining star  
You are my shining star
