Underdogs

You know you got the damn thing

You got the damn thing I like

You know you got the damn thing I like, like, I like

You know you got the damn thing I like, damn damn  
thing

You know you got the damn thing

Papi, fly as can be

Lookin' flossy little daddy I see you

Thuggin' with your peeps

That's so sexy to me

You're a dime piece like me

Like what I see I'm gonna get it

We can take it to my drop top

Tell your boys that you just hooked up

Little chick that will ride

Got a little bit of thug in me

You know it's goin' down if I let you mash wit me

Baby, can't you see

Can't you see that I'm feelin' you everything about you  
is

So tight

You know you got the damn thing I like

Gotta a G straight trippin'

Up in the club wit your wrist iced up

With the timbs like what all right

So tight

You know you got the damn thing I like

The kind of playa sippin' hen straight up wit your wrist  
laced up

I feelin' you 'cuz you got the damn thing I like

All these guys gettin' at me

But you don't speak what you don't see me

Boy, you know you do

But you got this attitude

Actin' all hard in your zone

Turnin' me on, you know I'm with it

Baby, why don't we shake up spot  
And tell your boys that you just hooked up

Little chick that will ride  
Got a little bit of thug in me  
You know it's goin' down if I let you mash wit me  
Baby, can't you see  
Can't you see that I'm feelin' you everything about you  
is  
So tight

You know you got the damn thing I like  
Gotta a G straight trippin'  
Up in the club wit your wrist iced up  
With the timbs like what all right  
So tight  
You know you got the damn thing I like  
The kind of playa sippin' hen straight up wit your wrist  
laced up  
I feelin' you 'cuz you got the damn thing I like

Usually playas  
Can't fade me  
Can't make me, or brake me  
But everything about you  
Has got me trippin'  
I'm tweakin' for them  
For your thug mentality, yeah  
I'm feelin' ya, feelin' ya, feelin' ya

So tight  
You know you got the damn, damn thing I like  
Up in the club wit your wrist iced up  
In the timbs like what all right  
So tight  
You know you got the damn thing I like  
The kind of playa sippin' hen straight up wit your wrist  
laced up  
I feelin' you 'cuz you got the damn thing I like

Things I like, things I like, like, like things I like  
I see that you got what I need  
I see that you got what I need  
Got the damn thing I like  
Them thugs got the things I like, like, like  
Underdogs got the things I want, want, want  
I see that you got what I need  
I'm feeling you 'cuz you got the damn thing I like

So tight  
You know you got the damn, damn thing I like

Up in the club wit your wrist iced up  
With the timbs like what all right  
So tight  
You know you got the damn thing I like  
The kind of playa sippin' hen straight up wit your wrist  
laced up  
I feelin' you 'cuz you got the damn thing I like

Oh, so tight  
Got the things I like  
Up in the club  
Timbs like what alright  
Oh, so tight  
Got the things I like  
Hen straight up wit your wrist laced up  
I feelin' you 'cuz you got the damn thing I like
