in a dream i daced with you and it falt so real but in my
hart i new it wouldent last for long.
we sang and we daced and we had a luagh i thourt i
chould make this last for ever i lay back in this bed of a
hospelt it look dark and screy i saw you a gein nana we
are ment to be together for evither i love you.
she lind it to my ear and said this isnt your time go
back to them the love you they love you so much and i
well always love you too o i well always love you
i opend my eyes a single tear on my check and i sang i
love you i love you to plese dont live me i love u.
