You got your problems, and I got my share  
Put 'em together, we're goin' nowhere  
I'm goin' to pieces, can't even get close  
You're lookin' through me just like I was a ghost

Now if you know what I mean  
Her heart doesn't open for anyone  
If I could just find the key  
To unlock the chains that surround her love

And I said chains  
Chains around heaven  
Lock you away  
They keep me from you forever

I'm just a loser, but never a fool  
And I'll never listen to your stupid rules  
I can't find the answers  
Ah, to what we should do  
Your heart is in chains I don't have a clue

Now if you know what I mean  
Her heart doesn't open for anyone  
If I could just find the key  
To unlock the chains that surround her love

And I said chains  
Chains around heaven  
Lock you away  
They keep me from you forever  
And I said chains  
Chains around heaven  
Lock you away  
They keep me from you forever... forever

(Chains)  
Chains around heaven  
Lock you away  
They keep me from you forever

And I said chains

Chains around heaven  
Lock you away  
They keep me from you forever... forever
