O you hear me father Bamba Did they hear you father Bamba

The man in me changes everytime I read you "Khassayids"

My strong faith in you makes me survive this crazy world

Now I can go anywhere, because I know you'll be there We know your pain will always make us stronger Mame Bamba

"Khassayid"

You are our rescuer
Every day, every night, every moment
They are singing and they are crying
You may be gone but your spirit will remain
Oh it will stay until the end of time
