I've been choked my whole life,
Until my face turns blue.
Swallowed conformity,
A bit too much to fucking chew.

Be weary and mindful,
Of the game that surrounds us,
'Cuz it's a game that no one wins.

Now I'm going crazy,
With these thoughts put in my mind.
Time to wipe the slate clean,
Destroy, rebuild before we run out of time.

It's not too late,
To take it all back,
And live a way that's right.

So lose control,
Of what we know.
Clear out your head,
And start things fresh.

Let's lose control,
Fuck what you're told.
Live a life of no regrets.

So just sit back and relax but know,
That no good can come from,
A mind dead and numb.

I'm going crazy,
With these thoughts put in my mind.
I won't surrender,
I won't let you let me run out of time,
'Cuz we'll run out of time.

And I won't be a victim,
I won't be a slave,
Don't tell me how to live,
My day by day.
