

Lie Captive "Judas Like The Last Time"

My pulse is up
My heart was racing.
Another man lost to an awkward situation.
Good luck getting up,
You'll have to climb your own way out,
Of your hole.

Just keep digging deeper.
You can't climb out on your own.

Now I could be mistaken,
But I can see through this.
I could be mistaken,
But I've been through this.

So many days left in the cold,
And my patience is wearing thin.

These bitter fights are getting old...
I hate to say, "I told you so".

I've dealt the cards,
Laid out the warning.
And I'll criticize,
But you'll go on conforming,
To all your old standards,
Play Judas like the last time.
But you should know by now...

Just keep digging deeper.
You can't climb out on your own.
Now I could be mistaken,
But I can see through this.
I could be mistaken,
But I'm better than this.
