I've got the Sunday morning blues  
From the Saturday night booze  
And I'll never ever do it again...  
But then... next week comes  
And I'm in my Sunday morning pain again

I've gotta™ clear the taste of cigarettes from my  
mouth  
I've got red wine stains off the floor and I think that I'm  
heading south  
I've called some people and said some things that uh..  
shouldn't be said  
I've gotta awake up next to a sea of mess  
But all I wanna do is stay in bed

Chorus:  
But each time, I wake up  
I know I've gotta change my ways  
But each time, I wake up  
I know I'm™ going to see  
Better days

I've got the Sunday morning blues  
From the Saturday night booze  
And I'll never ever do it again...  
But then... next week comes  
And I'm in my Sunday morning pain again

But each time, I wake up  
I know I've gotta change my ways  
But each time, I wake up  
I know I'm™ going to see  
Better days

I've got the Sunday, less fun day blues (the blues)  
But I think I had a ball on Saturday  
Oh Monday is too soon (too soon)  
Turn out the lights (out the lights)  
Stop speaking to me me  
I've got the sunday, less fun day,  
Sunday f\*\*\* Monday, Sunday morning blues.
