It's all laid out, I can see
It's all laid out for the feast

A clue, a sign, a warning, not discreet
When you're two feet from heaven and two feet from
hell

I just can help myself
I just can help myself

In this maze and black holes (watch them fall)
Rabbit holes and fall cannot afford (down and down,
down)
This maze and black holes (watch them fall)
Shut out, yet so reborn (down and down and down)

All so still like a seed, it'll soon plague out like a weed
A hint, a push, a nothing, all it needs
When you're stuck between limbo
and the sea

I just can help myself
I just can help myself
I just can help myself
I just can help myself

In this maze and black holes (watch them fall)
Rabbit holes and fall cannot afford (down and down,
down)
This maze and black holes (watch them fall)
Shut out, yet so reborn (down and down and down)

In this maze and black holes (watch them fall)
Rabbit holes and fall cannot afford (down and down,
down)
This maze and black holes (watch them fall)
Shut out, yet so reborn (down and down and down)

In this maze and black holes (watch them fall)
Rabbit holes and fall cannot afford (down and down,
down)
This maze and black holes (watch them fall)

Shut out, yet so reborn (down and down and down)

In this maze and black holes (watch them fall)

Rabbit holes and fall cannot afford (down and down,
down)

This maze and black holes (watch them fall)

Shut out, yet so reborn (down and down and down)
