Countdown to the situation  
3, 2, 1, my imaginations  
Controlling, controlling, controlling

I was just getting going  
I was stopping nothing for you, for you  
Wait for you, for you

And everything is crashing down  
It's tearing me to pieces  
Not everything is as it sounds  
It's tearing me to pieces

Come and take this love  
Come and take this girl  
Come and rip my heart out, out

Come and take this love  
Come and take this girl  
Come and rip my heart out, out

Move on from the aggravation  
Don't stop now the destinations  
Controlling, controlling, controlling

I have been letting go  
And insane like I don't know what to do, to do  
What do I do?

And everything is crashing down  
It's tearing me to pieces  
Not everything is as it sounds  
It's tearing me to pieces

Come and take this love  
Come and take this girl  
Come and rip my heart out, out

Come and take this love  
Come and take this girl  
Come and rip my heart out, out

And everything is crashing down  
It's tearing me to pieces  
Not everything is as it sounds  
It's tearing me to pieces

Come and take this love  
Come and take this girl  
Come and rip my heart out, out

Come and take this love  
Come and take this girl  
Come and rip my heart out, out
