How my heart aches
When you look my way
Everything starts to shake, oh, I can't wait for love

I'm goin' all out, I might scream and shout
Everything starts to shake, oh, I can't wait for love

I can't shake this feeling off
I can't shake this feeling off

I'm letting go of everything
I'm holding onto you
I'm letting go of everything and
I'm holding onto you

Wishing stars go by
Losing track of time
Everything starts to shake, oh, I can't wait for love

I'm gettin' unsure, with my eyes on yours
Everything starts to shake, oh, I can't wait for love
I can't shake this feeling off
I can't shake this feeling off

I'm letting go of everything
I'm holding onto you
I'm letting go of everything and
I'm holding onto you
I'm letting go of everything and
I'm holding on to you
I'm letting go of everything

I can't shake this feeling off
I can't shake this feeling off

I'm letting go of everything
I'm holding onto you
I'm letting go of everything and
I'm holding onto you
I'm letting go of everything and
I'm holding onto you
I'm letting go of everything and

I'm holding on to you
