Awake,
to find
that you look
just as i left you.

All, I've done
is wasted,
I don't know where to run.

It's, too indescribable
I've got to think it over
When you kiss me like that.
Too indescribable
I've got a sinking feeling,
I don't like where this is at.

I take, my time.
time is all
I've got left on my hand

Start, to fall
youve wasted
your sweetness on my heart.
It's too indescribable
I've got to think it over
When you kiss me like that.
Too indescribable
I've got a sinking feeling,
I don't like where this is at.

Too indescribable
I've got to think it over
When you kiss me like that.
Too indescribable
I've got a sinking feeling,
I don't like where this is at.

It's too indescribable
I've got to think it over
When you kiss me like that.
Too indescribable
I've got a sinking feeling,

I don't like where this is at.
