It's such a sweet feeling the feeling I get  
Close the door  
Make no noise  
Keep it a secret  
I can't help thinking  
We've only just met

I can feel heartache  
Coming my way  
It feels so right  
The way u are  
Come her and kiss me  
I can't help thinking  
This isn't okay

But I'm lost in you  
I'm lost in you  
But I'm ost in you  
I'm lost in you

Maybe it's easier 2 close my eyes  
I can't see her fucking u up  
While I'm keeping u inside  
I can't help thiking  
This isn't my life

I feel no sadness when u say she crys  
When I see the way u look at her  
Well I'm keeping it inside  
I can't help thinkng  
This isn't alright

But I'm lost in you  
I'm lost in you  
But I'm lost in you  
I'm lost in you

But I'm lost in you  
I'm lost in you  
But I lost in you  
I'm lost in you

But I'm lost in you  
I'm lost in you  
But I lost in you  
I'm lost in you
