I have a little trouble sleeping
Been like this for a while
I can't get you off my mind

I'm easily distracted
Like I'm losing time
I can't get you off my mind

Don't fight this fire
Come stay the night with me
Silence never sounded so good

Don't fight this fire
Come stay the night with me
Silence never sounded so good

I'm usually protective
Of this heart of mine
I've got to let go this time

I have to stand my ground now
Too much on the line
I've got to let go this time

Don't fight this fire
Come stay the night with me
Silence never sounded so good

Don't fight this fire
Come stay the night with me
Silence never sounded so good

Let's sit down and talk about it
Let's sit down
(Let's sit down, let's sit down)

Let's sit down and talk about it
Let's sit down
(Let's sit down, let's sit down)

Don't fight this fire
Come stay the night with me

Silence never sounded so good

Don't fight this fire
Come stay the night with me
Silence never sounded so good

Don't fight this fire
Come stay the night with me
Silence never sounded so good

Don't fight this fire
Come stay the night with me
Silence never sounded so good
